### Take a Closer Look

The first step in savings and financial planning is to understand your current financial position. How much money do you have, how much do you earn, and how much are you spending?

### Making Sense of It

When the economy is expanding and inflation is rising, more people are usually working. But that's not always the case. "Stagflation" describes a situation where the rate of inflation and the rate of unemployment are high at the same time.

The screenshot displays the 'Teen Health & Wellness' website. The header features the site's logo with the tagline 'real life · real answers' and a navigation bar with links for 'Hotlines', 'Calm Room', 'Mobile Apps', 'Glossary', 'Site Help', and 'Logout'. The 'ROSEN digital' logo is also present. A left sidebar contains a 'HOME' button and a 'Browse by:' section with links to various topics such as 'Body Basics', 'Developmental Disabilities and Disorders', 'Diseases, Infections, and Conditions', 'Diversity', 'Drugs and Alcohol', 'Eating Disorders', 'Family Life', 'Friendship and Dating', 'Green Living', 'Grief and Loss', 'Mind, Mood, and Emotions', and 'Nutrition, Fitness, and...'. The main content area includes a row of five photographs of diverse teenagers. Below these, there is a 'Visit the Calm Room' section with a leaf icon and text about videos, sounds, and resources for relaxation. Further down is a 'Tell Your Story' section with a quote about anxiety and depression. On the right, a 'Get Informed' section features a large video player with a play button icon.

Tell Your Story

"When you're diagnosed with anxiety and depression there are a few things that the media does not tell you."

The first is that you will get physically sick. The second is that you do not have to be suicidal to be seriously ill. And finally, they also don't tell you how hard it is to ask for help and then to accept that help.
